Individual Photos - Wednesday 13th October

Dear parents/carers,

As you are aware, on Wednesday 13th October, we will be taking individual photos of your children, which will be made available for you to purchase. There will be an option to purchase the print and digital photograph (depending on what you would prefer).

Due to the timetabling of the day (and the amount of children we will need to photograph), we are unable to take sibling photographs during the school day. Therefore, if you wish for your child to have a photograph with their sibling (from the Juniors, in our school, or not attending a school), you will need to complete the form below. Slots will be allocated on a first come, first serve basis. Each parent who wishes for a photo to be taken will be given a time slot, of 5 minutes. If you miss this time slot, it will be highly unlikely that we will be able to allocate another one. Please hand your forms into the school office, so that slots can be allocated on a first come, first served basis. Once your children have had their photograph taken, please ensure that you exit the hall and supervise them appropriately until they are due to come into school. We will notify you of your child's time by Monday 4th October... we are looking forward to the cheesy smiles!

Thank you,
Miss Allen

Please return to the school office.
