October 2020

Dear Parents and Carers,

Children in Year 1 have been participating in Forest School for 4 weeks now and their excitement is magical to observe! Jenny, our Forest School Teacher, is very popular around school.

This is an ongoing project for our school and we have big plans for our grounds, which will support the children's learning and well-being. Watch this space!

We need your help!

To enable us to keep developing our sessions successfully there are a few items we need your help in sourcing.

If you have any of the following items in your garage or garden going spare please bring them in:

Garden canes
Buckets or flexi tubs
Paving slabs
Small stones/slate
Wood/sleepers
Plant pots

Please bring these items to your class or call the office to ensure that you can safely drop these. If items are heavy, we will of course allow you to use the school gates to gain access to the school. Items do not have to be new; anything you have will support the children's experiences and help our project grow.

We are still taking donations of wellies, hats, scarves and gloves. Anything you can help with is appreciated.

If anyone is a great handy man or woman and has some time to spare, we need your help! If you think you can help, or know someone that can, please contact me directly, via Dojo, for more information.

Many thanks for your continued support.

Kind regards,

Mrs Doherty

Reception Teacher, Arts and Curriculum Lead and Forest School Lead
