We are also learning about alliteration and matching words that sound the same. One of our favourite games to help with this is called 'Silly Soup'. It is easy for you to play at home.

You will need:

A large mixing bowl

A large spoon

Objects from your house that begin with the same sound and a few odd ones out e.g. spoon, sock, scarf, apple

This activity can be used in several ways, you could add ingredients that begin with the same sound or things that rhyme.

Each time you add an ingredient to the silly soup you can say this rhyme:

'I'm making lots of silly soup

I'm making soup that's silly

I'm going to put it in the fridge
and make it nice and chilly'

Other ideas;

Name writing. Please encourage your child to hold a pencil correctly and to form letters correctly.

Dough disco. Play some music and practice patting, poking, rolling the dough.

Counting out sets of objects and matching to numbers.

Sports day races in the garden.

Please send any photos of work via Dojo or send a message so that your teacher can give out some points.

We can't wait to see you back in Nursery very soon. Please take care and stay safe 😊
