Alvaston Infant and Nursery School – 2021 - 2022

Key achievements to date: (2021-2022)

- We have formed strong links with external companies e.g. ActiveDerbyshire, Premier, Derby County Community Trust. This has allowed us to keep up to date with new initiatives and access maximum funding. E.g. funded outdoor puddle suits, club opportunities.
- Our school has kept physical education as a priority, even more so during the COVID pandemic and after. This led to children being more aware of how to lead a healthy lifestyle. It also led to an increase of fitness and stamina, especially for the children who were identified as being 'at risk' of obesity. The vast majority of our families participated in 'Beat the Street' initiative and we aim to replicate this as a school community next year.
- Hosted a fully funded (including lunch) summer holiday club for 50 children, whereby they got to participate in a variety of sports, developing many key skills e.g. teamwork, resilience etc in 2020 and 2021. Children developed a real love for sport and fitness during this club and many parents commented that children loved attending and that it impacted positively upon their wellbeing and development.
- New trim trails installed for FS1 and KS1 to develop the children's gross motor skills. This has led to the children being more active during free time.
- We have completed a progression document for PE in our school, which shows a sequential progression across the foundation stage and KS1. This enables teachers to plan confidently and should build upon skills so that children master these.
- Started to make links with the junior school to make the transition and teaching of PE sequential. This will ensure that learning is built upon year by year.
- We have established a family sports club for the local community. This enabled parental links to be made and for families to get fit together, without having to worry about childcare.
- CPD for all teachers has led to an increase of confidence and alignment across the school

Alvaston Infant and Nursery School – 2021 - 2022

Areas for further improvement:	<ul style="list-style-type: none"> • Ensure that the school is equipped with a variety of resources both indoor and outdoor to improve the overall physical development of the children. • To improve the quality of Sports and PE provision offered so that children have an abundance of opportunities to be independently active and well supported. • To implement and trial a new form of assessment so that we can evaluate the impact of the new curriculum (knowledge and skills document) and so that we can monitor the quality of education and children's achievements. • Educate children and parents on how to lead a healthy lifestyle e.g. their diets. • To continue to develop our links with parents and boost attendance to family clubs that are offered. host clubs for families to attend. • To ensure that the provision offered allows 'talents' to be spotted and nurtured and to ensure that every child can access follow up clubs, if desired. This will involve ensuring that children receive more opportunities to participate in competitive sport. 		
Total Sport Premium Funding in 2021-21:	£17,500	Cost of the development programme outlined below:	

Meeting the national curriculum requirements for swimming and water safety:	
% of the current Year 6 cohort who can swim competently, confidently and proficiently over a distance of at least 25 metres (leave school July 2021)	N/A
% of the current Year 6 cohort who can use a range of strokes effectively E.g. Front crawl, backstroke and breaststroke	N/A
% of the current Year 6 cohort who can perform safe self-rescue in different water-based situations	N/A
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming. Has the funding been used in this way?	N/A
<i>See Appendix 1 for swimming and water safety data for Years 4, 5 (and Year 7)</i>

Alvaston Infant and Nursery School – 2021 - 2022

Key Indicator 1: The engagement of all pupils in regular physical activity

Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

Key Indicator 2: The profile of PE and sport being raised across school as a tool for whole school improvement

Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key Indicator 5: Increased participation in competitive sport

Action Plan for 2021-22

Priority - Objective	Key indicat or link	Action	When Start/ Review/ End	Who	Success criteria	Monitoring and evaluation	Cost
To increase the number of minutes that children are active for each day and engage them in physical activity by raising the profile of PE.	1, 2, 4	<ul style="list-style-type: none"> Encourage the children to take part in active events that school organise e.g. walk to school weeks, active treasure hunt Use REAL PE as a tool to ensure that children get their full entitlement of physical activity TA's / mid-days will be trained to ensure that children are spending most of their break times physically active. Ensure that our school environment 	Sept 21 – ongoing	BH TA's / middays All Staff	<p>By the end of the academic year, 60% of children participate in school organised activities</p> <p>Monitoring of PE lessons, timetabling and pupil voice shows that children receive their entitlement of PE and this is of a high quality.</p> <p>By the end of the academic year, 100% of children receive their entitlement and more</p>		<p>£1500 – equipment</p> <p>£594 – REAL PE subscription</p> <p>BH hours for treasure hunt - £?</p>
