

What's Out There?

We are so sorry that we are back to home learning packs again but together we can get through this...so here goes.

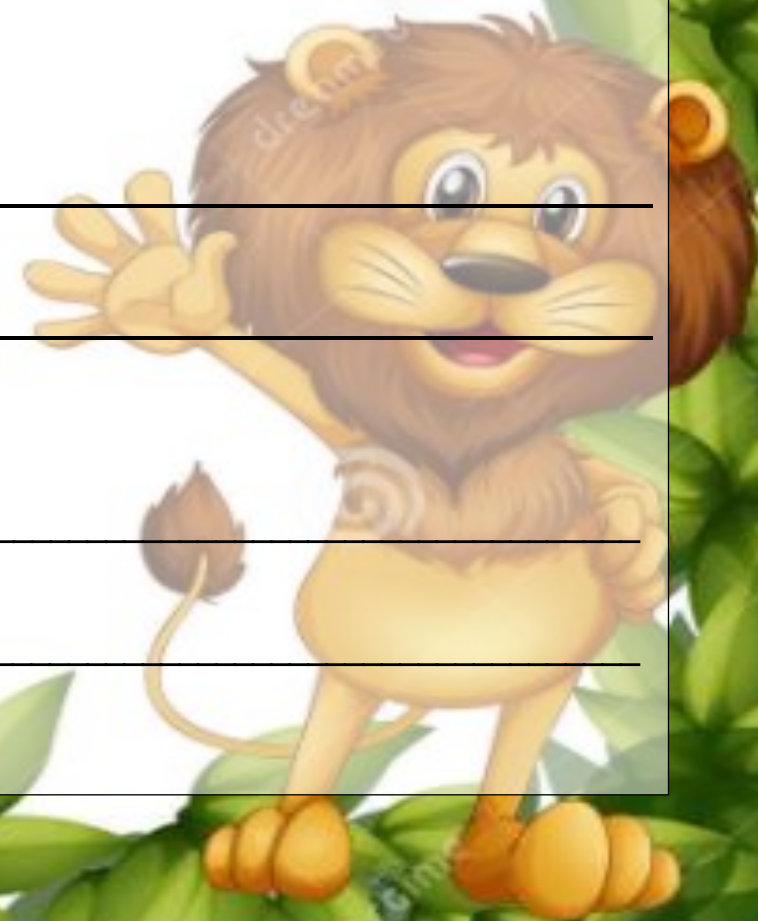

This week we have learning about musical theatre and the children have voted on their favourite. In classes 1 and 2 they chose 'The Lion King' and class 3 chose 'Aladdin'. We want the children to explore all the elements from making their own set, to costumes and masks and of course music. Here are the clip to both films, which one does your child prefer?

The Lion King original: <https://www.youtube.com/watch?v=IFzVJEksoDY>

Aladdin: <https://www.youtube.com/watch?v=eTjHiQKJUDY>

Can your child write a sentence to say why they like the clip?

Aladdin

Jasmine

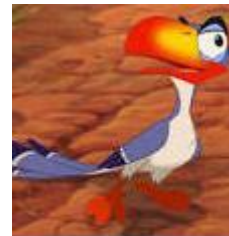

Genie

Iago

Mufasa

Zazu

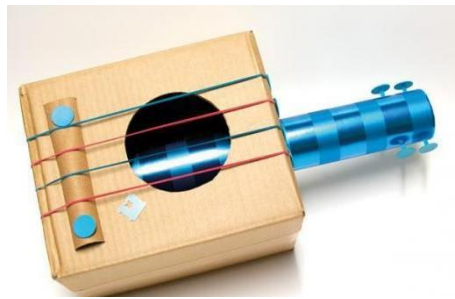

Pumbaa

Can you draw your favourite character and describe them.

Here are some shoebox scenes, if you fancy getting creative. These can be made from natural materials or things you have in your house. Please send a photo via Dojo of your creations. Now write a list of the resources you have used.

Next we would like your child to think about the music, could you make your own instruments?

Listen to this piece of music, what instruments can they hear?

Can You Feel The Love Tonight (from "The Lion King")

<https://www.youtube.com/watch?v=25QyCxVkXwQ>

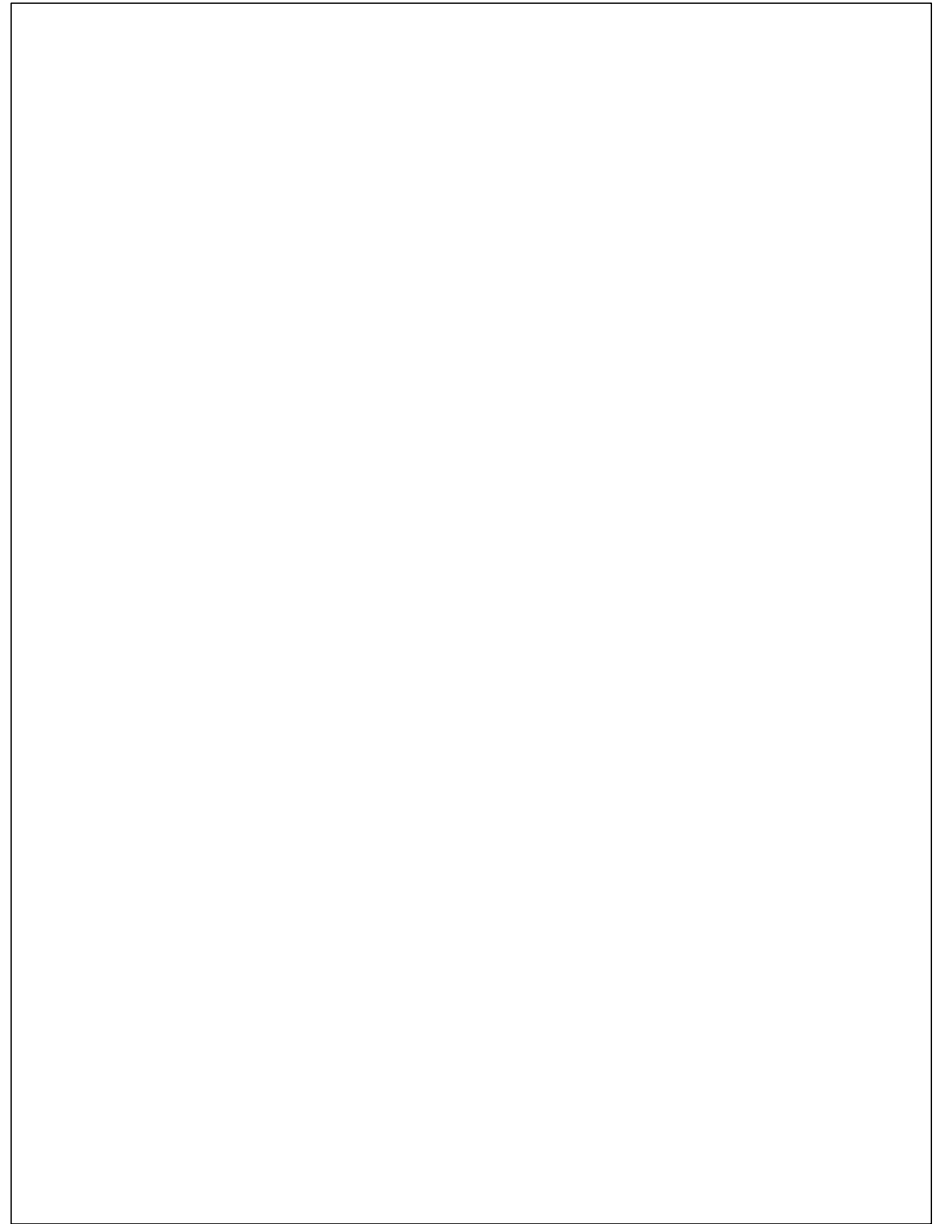

Can you write which instruments you can hear?

Can you create your own sunset?

Can you design your own Jasmine costume?

We have been thinking about how films and music make us feel?

Here is a Makaton feelings clip:

<https://www.youtube.com/watch?v=EfrJriE5Hwg>

How does your favourite film make you feel? Can you draw a picture of how you feel?

In maths we have been exploring sharing and grouping. Here is a fun video:

Home Learning Challenges

Abed has 3 rabbits who love eating carrots. He has 6 carrots to share between them. How many carrots will each rabbit have? Draw 3 rabbits and share out the 6 carrots to check.

A squirrel collects 10 nuts to share between her 5 babies. How many nuts will each baby have? Draw the nuts to check.

Share out 15 biscuits between your favourite 5 toys. How many biscuits does each toy have? Is it fair?

If a packet has 20 sweets in and you share them equally between you and 3 friends, how many will you get each? Draw 20 sweets on a sheet of paper, equally sharing them into the 4 corners of the paper. Count how many are in each corner.

Cut up an apple into 8 slices. If you shared it equally between yourself and a friend, how many pieces would you have each?

Make a cake for some friends and share it out. If you cut it into 12 pieces and there are 4 people, how many slices could each person have?

If a ladybird has 4 spots on one side and 4 spots on the other side, how many does she have in total? Double 4.

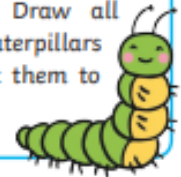

Collect 9 sticks. If you found 9 more, how many would you have altogether?

Collect 3 leaves outside. Collect 3 more. How many do you have altogether?

Draw 7 caterpillars on a large leaf. Double the amount. How many caterpillars are there in total? Draw all the caterpillars and count them to check.

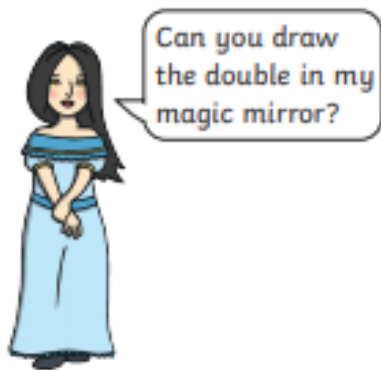

Jordan made 6 cupcakes for her class, but she needs to make more. There are double that number of children in her class. How many cupcakes does she need in total? Can you make that many cupcakes?

Some preschool children visit your class for an afternoon. There are usually 10 children in your class but today there are double that amount. How many children are there altogether?

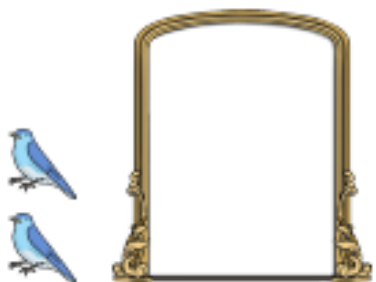

Snow White's Magic Doubling Mirror

Snow White has a magic mirror. The mirror doubles the number of objects. Can you draw the double in each mirror?

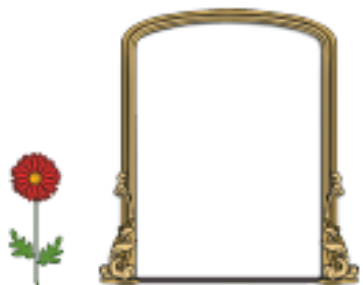

Double 3 is _____.

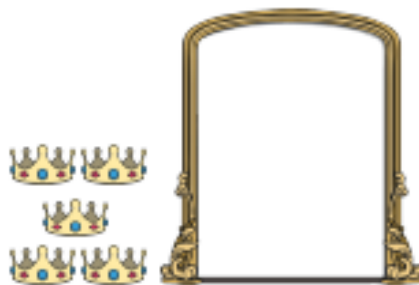

Double 2 is _____.

Double 4 is _____.

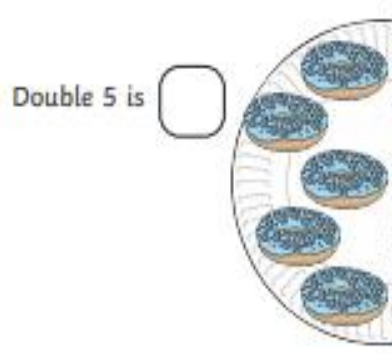

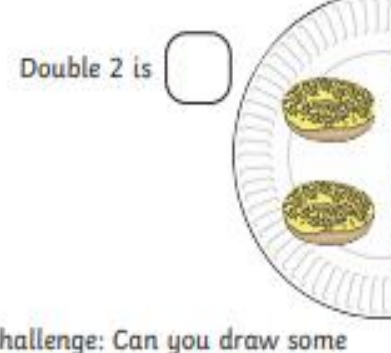

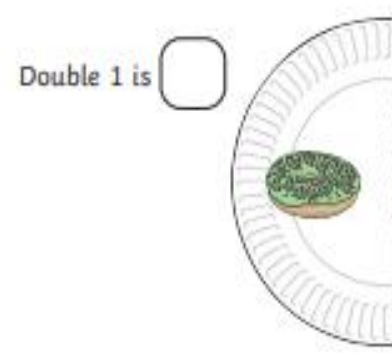

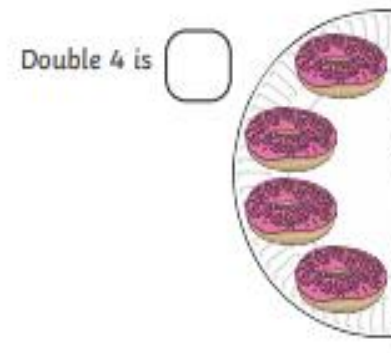

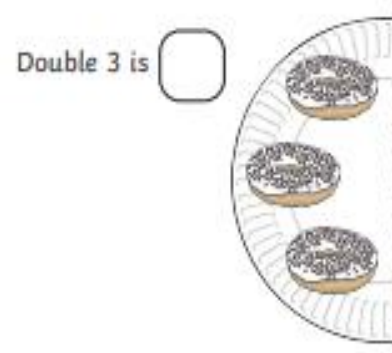

Double 1 is _____.

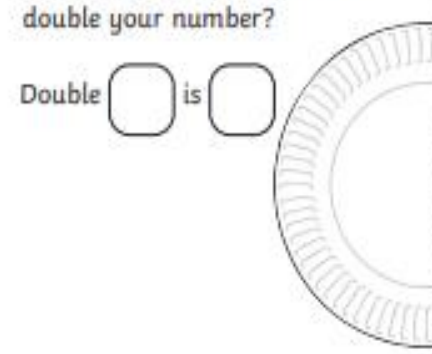

Double 5 is _____.

Doubling Donuts Activity

Use a mirror to reflect the plate. How many donuts can you see on the whole plate? Complete the number sentence to show the doubles.

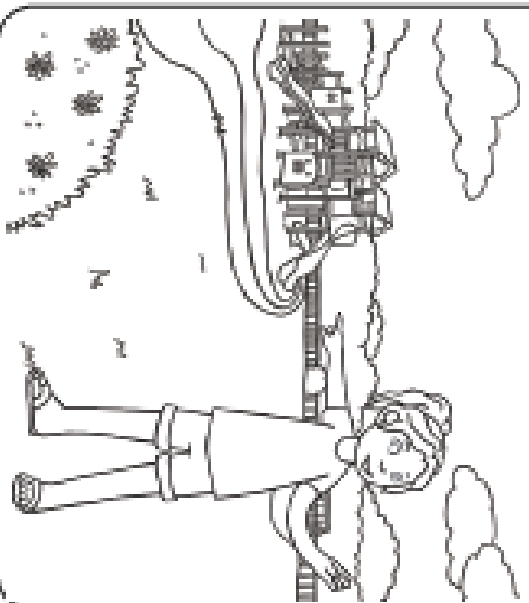

Challenge: Can you draw some donuts on the plate? What is double your number?

Can you read the sentence and draw what is missing in the pictures?

Read the sentence. Add the information to the picture.

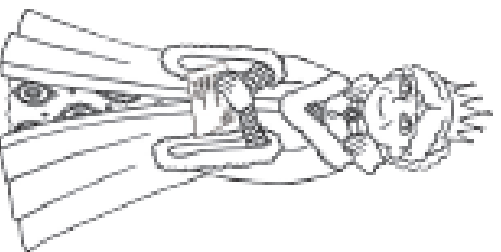

She took her doll to the park.

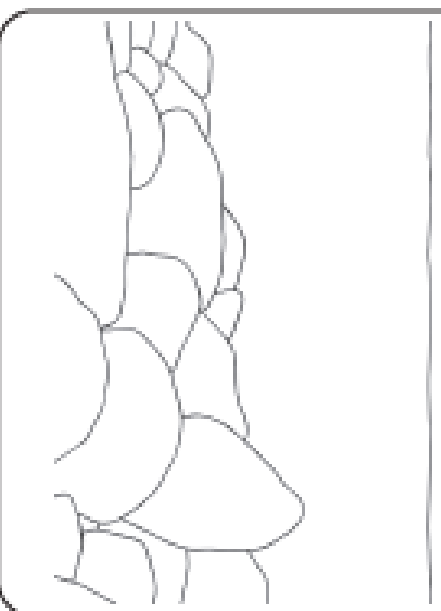

I hear the owl hoot.

The queen got a letter from the king.

The fish and the shells are deep down in the river.

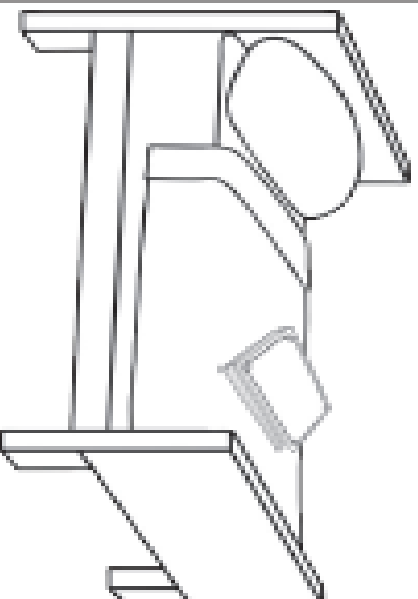

Read the sentence. Add the information to the picture.

The owl sat in the oak tree.

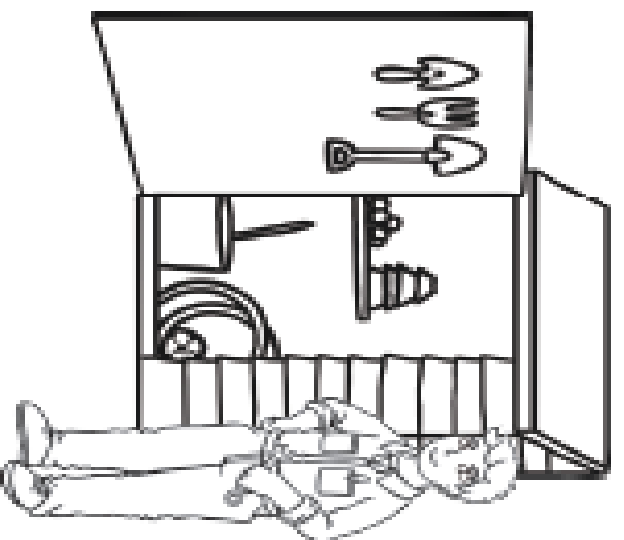

I put the pair of socks near the book.

The fox is in the park.

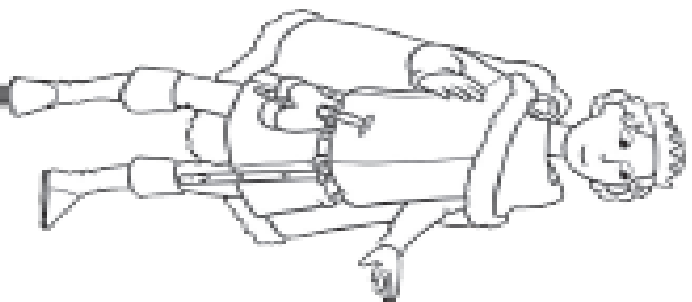

Dad had a hammer in the shed.

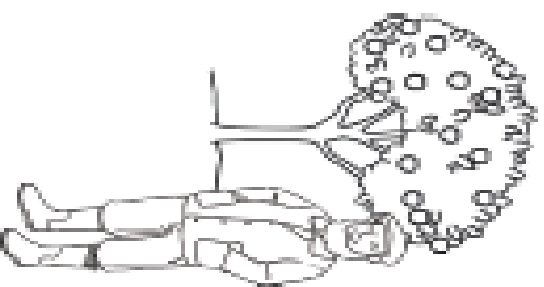

Read the sentence. Add the information to the picture.

The king has a long beard.

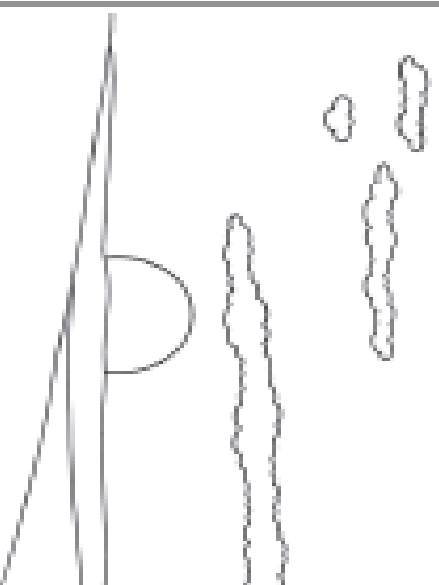

The farmer can see a sheep, a goat and a cow in the orchard.

The boat can zoom on the river.

All of the jets are in the air.

3D Shape Colouring

Use the key to colour in the 3D shapes correctly.

Key		
Clues	Name	Colour
no vertices, one curved surface and 2 flat circular faces		yellow
8 vertices, 12 edges the same length, 6 faces		orange
5 faces in total (4 faces are triangles and 1 is a square)		green
one apex, one circular face		red
8 vertices, 12 edges, 6 faces (2 square, 4 rectangular)		purple
no edges, no vertices and one curved surface		blue

Here is a 3D shape song for you to enjoy.

Here is a video for the ir digraph - enjoy:

<https://www.youtube.com/watch?v=hEu3syk4iUY>

'ir – twirl the girl'

Can you think of some words with the 'ir' digraph in them? Have a go at adding sound buttons to these ones.

Can you segment and write these words? Don't forget to send it to your class teacher.

Challenge

Can you write a sentence with 'ir' in it?

Write the 'ir' words.
